Lakewood Aesthetics now offers state-of-the-art, Laser and Intense Pulse Light (IPL) therapy treatment for men and women of all ages.

Our non-surgical cosmetic, skin rejuvenation, and aging prevention procedures are applied with your safety as our top priority.

Take comfort in knowing that our laser technology is FDA approved, and is considered safe for adults and children.

Most procedures bring minimal discomfort and no down time, with treatment of large and small areas done quickly.

In addition to our laser treatments, we offer:

BOTOX, RESTYLANE, MICRO DERMABRASION and CHEMICAL PEELS

Founded by husband & wife medical team of Michael Castro, M.D., and Monina Distor-Castro, R.N., M.S.N., Lakewood Aesthetics is a successful, results-oriented practice located inside the Lakewood Primary Care medical offices.
